

Relief Materials Distribution in Sankhu in 17th July, 2015

With the aim of distributing relief materials to the quake victims of Milan Club Nepal's branch students, the board members, Vice President Mr. Amar Narayan Mali, Treasurer Mr. Sagar Buddha Manandhar and Coordinator Mrs. Ramita Maharjan went Sankhu in 17th July, 2015 by travelling one and half hour whereas they reached at 9:30 am.

Sankhu is known as the community of Newari people. Most of the people do farming. We can find muddy homes in most of the places of Sankhu. That's why; the earthquake has destroyed almost the muddy houses as well as few plastered houses. Many people have got uncertain death due to earthquake. Milan Club Nepal has also lost a child of Sankhu, named Rashmi Prajapati.

Photo of Student and parents in Sankhu

After earthquake, people have already built truss for their shelter in this Rainy Season by putting their own home in mortgage. So, Milan Club Nepal has distributed NRS.10, 000 to per student. In total, we have distributed NRS.1, 00,000 for 10 students of Sankhu. Around of 2 and half hour we have finished the programme of relief materials distribution.

Laxmi Shrestha's house in Sankhu after earthquake

Earthquake has created really miserable condition to all the Nepalese people. Most of the rich people have turned out into beggars. The students of Sankhu and their parents are facing bad time indeed. They said, "In this pitiful condition, Milan Club Nepal/Japan's help has become like the medicine for the injured patient." So, all the students of Sankhu are grateful towards all the members of Milan Club Nepal/Japan. They prayed for the better improvement of all the members of Milan Club Nepal/Japan and Milan Club Nepal/Japan itself. Milan Club Nepal was

successful to distribute relief materials in Sankhu and arrived at 1:00 pm by travelling one and half hour.

Providing relief fund to make shelter
